

Getting Started:

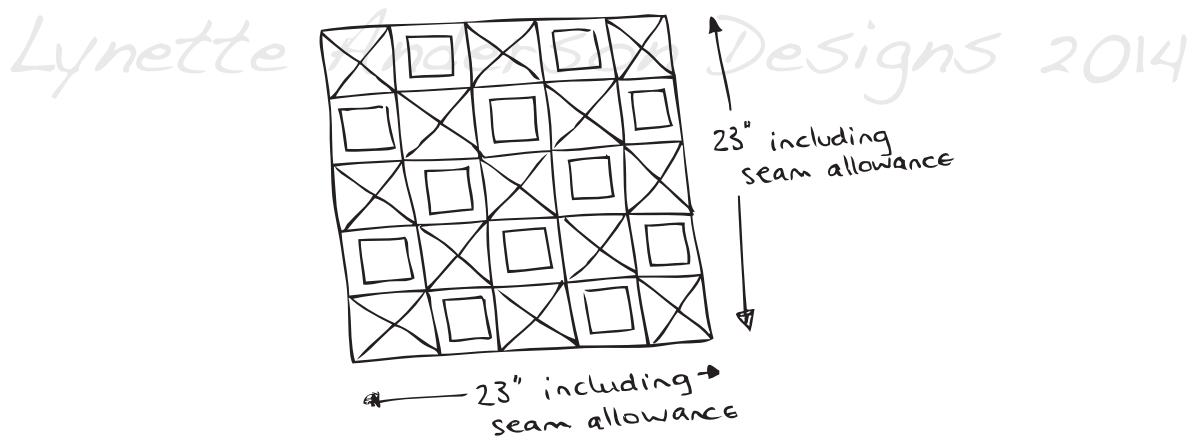

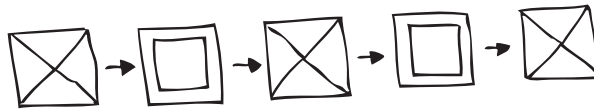

Assemble the 12 Christmas stitchery fronts as described in the Sweet Christmas Ornament patterns. Transfer and stitch the stitchery designs using your chosen floss colour.

Cut the $5\frac{3}{4}$ " square to give 4 triangles.

Join using the fabrics at random to make $13 \times 4\frac{1}{2}$ " squares finished (5" sqs including seam allowance).

Using the picture as a guide for placement join the squares, to make 5 rows of 5 squares.

Once all the squares are joined together, your centre square should measure $22\frac{1}{2}$ " (23" including seam allowance).

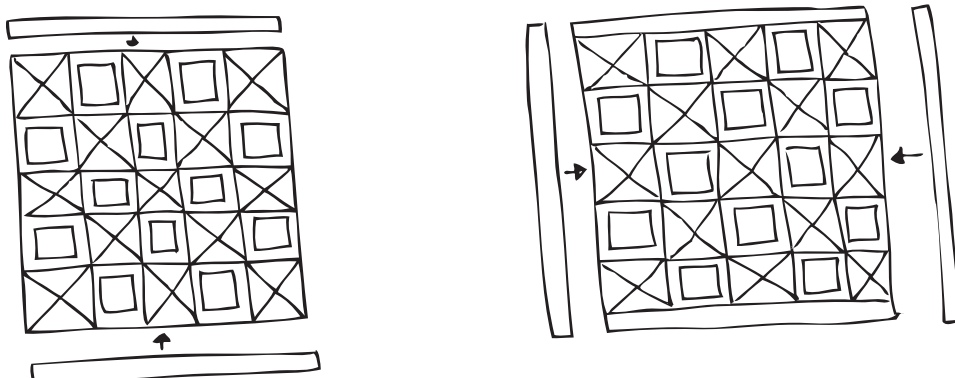

Inner Border:

Take the cream print and cut:

$2 \times 1\frac{1}{2}$ " \times 23" (top and bottom border)

$2 \times 1\frac{1}{2}$ " \times $24\frac{1}{2}$ " (side borders)

Add the inner border to the centre square.

Outer Border:

Take the red print and cut:

$2 \times 2\frac{1}{2}'' \times 25''$ (top and bottom border)

$2 \times 2\frac{1}{2}'' \times 28\frac{1}{2}''$ (side borders)

Add the outer border to the centre square.
